Objective

A coding enthusiast with a relentless passion for technology, problem-solving abilities and strong programming skills. Eager to contribute to innovative projects, gain practical experience and further develop technical expertise in a collaborative environment.

Education

B.Tech (Computer Science and Engineering)

2022 - Present

- Greater Noida Institute of Technology
- Greater Noida, Uttar Pradesh

Projects

Spotify Music Player Clone

- Audio Playback : Implemented play, pause, next and previous controls using Javascript audio control, event listeners, DOM manipulation.
- Responsive Design : Ensured smooth user interaction across mobile, tablet and desktop devices.
- Javascript Logic : Wrote modular and reusable code for music control and UI interaction.
- Progress Bar & Time tracking : Created a custom seek bar and showed current time vs duration.
- Interactive UI : Designed a clean, responsive interface using modern CSS for layout and animations.

Portfolio Website

- Modern UI Design : Combined Tailwind CSS and Bootstrap to build a clean, professional and responsive layout.
- Javascript Activity : Implemented App.js (Javascript) for dynamic features like navigation toggles, scroll animations and interactive sections.
- Cross-Browser Compatibility : Ensured cross-browser compatibility and optimized the performance across all major browsers and devices using mobile-first design principles.
- Interactive Section : Designed an interactive Contact Me section to allow visitors to easily reach out for collaboration or inquiries and included interactive social media links for better communication.

Netflix Clone Website

- Homepage UI Clone : Recreated the visual design of Netflix's landing page including header, banner and content sections.
- Responsive Design : Used media queries and flexbox/grid to ensure mobile-first responsiveness across all devices.
- Component-Based Layout : Organized page into reusable sections like navbar, hero banner and content rows.

Skills & Abilities

- Languages : C, Java, JavaScript, Python
- Front-end : HTML5, CSS3, Javascript, React.js
- Back-end : Node.js, Express.js, MongoDB
- Databases : MySQL, MongoDB
- Tools & Platforms : VS Code, GitHub, Postman

Certifications

- **Python Workshop Completion Certificate** : By, Softpro Solutions & AKTU
- **Power BI Workshop Completion Certificate** : By, Office Master
- **AI Tools Workshop Completion Certificate** : By, Be10X

Communication

- **Languages** : Proficient in English and Hindi
